

Iain R. Steel - Treasurer

Iain Steel was born in the Royal County of Berkshire in 1952 and was educated at various schools and Colleges in the Maidenhead & Windsor area.

A Quality Assurance Specialist/Commercial Contract Manager with 25 years' experience in the Water Industry. Iain spent ten years as a Research Scientist working on the research and development of advanced water treatment processes. He then became a Project Manager encompassing materials technology and water mains condition assessment/failure analysis techniques, before becoming involved in Quality Assurance and Contract Management.

Author of numerous Research/Engineering Papers, Reports & Manuals.

On leaving the water Industry, Iain undertook various Quality Assurance and Health & Safety Consultancy assignments before taking early retirement. He then worked part-time as an Examination Senior Invigilator at a local school.

Due to his railway interests, Iain joined the Friends of Swindon Railway Museum in 1995 and helped to catalogue the photographic collection in the original Railway Museum. In 1996 he was persuaded to become a Trustee of the Friends and also the Sales Officer.

Iain is a previous Editor of the North Star Journal and has been the Treasurer since 2012.
