

## **Friends of Swindon Railway Museum Lecture programme**

Each year the Friends organise a series of popular evening lectures on railway related subjects over the autumn and winter.

The lectures are held in the Sir Daniel Gooch Theatre at the STEAM Museum and usually start at 7.00 pm.

The lectures are open to everyone for a small admission fee and members of the Friends get free admission.

Free parking directly in front of the STEAM Museum is available for these lectures –the entry code is available on request to [fofsrcm@gmail.com](mailto:fofsrcm@gmail.com) one week before each lecture.

We are always looking for new speakers and topics so if you have a talk you would like to give, or know of a good speaker, then we would love to hear from you. Please send details to [fofsrcm@gmail.com](mailto:fofsrcm@gmail.com)

**The 2020/21 programme has of course been temporarily suspended due to the Coronavirus outbreak. We hope to restart the programme in Spring 2021 but there will be no lecture in November, December or January.**

**Details of the programme will be posted here and on Facebook when appropriate.**

We still hope to hold an AGM on Monday, February 15<sup>th</sup> and will let you have information on the format as soon as possible.
